TRINIDAD AND TOBAGO.

Customs Duties.

No. 18. 1909. November 8.

AN ORDINANCE RELATING TO CUSTOMS DUTIES.

Be it enacted by the Governor of Trinidad and Tobago with the advice and consent of the Legislative Council thereof as follows:—

1. This Ordinance may be cited as the Customs Duties Ordinance, 1909.

2. There shall be raised, levied, collected and paid, for the public use of this Colony, the several duties set forth in the First Schedule to this Ordinance, upon all goods, wares and merchandise, enumerated in the said Schedule, which shall be imported into this Colony, or taken out of bond for consumption in this Colony.

3. There shall be raised, levied, collected and paid, for the public use of this Colony, upon all goods, wares, and merchandise not enumerated in the First Schedule to this Ordinance, and not hereinafter exempted from the payment of duty, which shall be imported into this Colony, or taken out of bond for consumption in this Colony, an *ad valorem* duty at the rate of ten per centum or ten pounds upon every one hundred pounds, of the actual cost of such goods, wares, and merchandise.

4. The goods, wares, and merchandise, enumerated in the Second Schedule to this Ordinance which shall be imported into this Colony, or taken out of bond for consumption in this Colony, shall be exempted from the payment of duty.

5.—(1) The cost of goods, for the purpose of ascertaining the amount of the *ad valorem* duty payable thereon shall be calculated, if the goods have been purchased by the importer or consignor thereof, on the price charged for the said goods by the vendor thereof as verified by the genuine invoice of such goods, and, if procured otherwise than by *bona fide* purchase, calculated on the actual market value or wholesale price of such goods at the time of exportation to this Colony in the principal markets of the Country whence such goods were imported: Provided always that the Collector of Customs or the proper Officer of Customs is satisfied in the case of goods alleged to be purchased of the fact of purchase, that the entries in such invoice are true, and that the invoice is genuine in every particular, and also in the case of such goods or of goods obtained otherwise than by purchase that the price charged for the said goods as represented by the invoice aforesaid or by the entry appears to be a fair market value for such goods, at the place, and at the time that the same were purchased by the importer or consignor thereof.

(2) No discounts or deductions from the value of any goods chargeable with *ad valorem* duty shall be allowed unless such discount or deduction be clearly shown to the satisfaction of the Collector or other proper Officer on the original invoice or unless the same be verified by the signature of the manufacturer, merchant, or person from whom the goods set forth or described in the invoice were purchased, and by whom such discount or deduction has been or purports to have been actually allowed.

6. When any invoice for goods purchased in a foreign Country expresses the value of such goods in the coinage of that Country, such value shall be assessed by the Customs authorities in the Colony at the constant exchange value, (based on the relative values of the precious metals) of such foreign coinage for sterling money, and the importer shall pay duty, when duty is payable at an *ad valorem* rate, on the amount calculated at such value.

7. If any article subject to the payment of specific duty is imported in any bag, box, tin, jar, bottle, or any other package intended for retail sale and marked or labelled or commonly sold as containing or commonly reputed to contain a specific quantity of such article, such bag, box, tin, jar, bottle, or any other package as aforesaid, shall be deemed, as against the importer, to contain such specific quantity. In all cases where such package is not so marked or labelled or commonly sold or reputed, the duty, if payable on weight, shall be calculated on the gross weight of such package and its contents.

8. Goods not prohibited to be imported into the Colony composed of any article liable to duty as a part or ingredient thereof, shall be chargeable with the full duty payable on such article, or, if composed of more than one article liable to duty, then with the full duty payable on the article charged with the highest rate of duty.

9.—(1) No liquor containing more than forty-two per cent of proof spirit as verified by Sykes' Hydrometer, or as certified by the Government Analyst, shall be deemed wine, and no liquor containing more than twenty per cent of proof spirit as verified by Sykes' Hydrometer or as certified by the Government Analyst, shall be

deemed malt liquor. All liquor, with the exception of medicinal spirits admitted as such by the Collector of Customs, containing more than forty-two per cent of proof spirit verified or certified as aforesaid and all liquor other than wine containing more than twenty per cent of proof spirit as aforesaid shall be deemed spirits.

(2) In any case where by reason of the presence of colouring, sweetening, or other matter, the true strength of any liquor cannot be immediately ascertained by Sykes' Hydrometer, a sample of such liquor may be distilled or treated by such other process as the Collector of Customs may direct, so that the true strength of the liquor may be ascertained by Sykes' Hydrometer.

10.—(1) Every package of malt liquor imported into this Colony shall have the original gravity of the worts thereof distinctly and indelibly marked on the outside of such package.

(2) All malt liquor imported into this Colony and not so marked shall be liable to forfeiture.

11. It shall be lawful for the Governor in Council to direct from time to time the goods on which a drawback of the whole or any part of the duties paid on the importation thereof may be granted, and the conditions under which such drawbacks of duties shall be allowed: Provided that no drawback shall be allowed on any goods where the amount of such drawback is less than the sum of ten shillings: Provided also that no drawback shall be allowed on any goods exported after the expiration of twelve months from the date of the importation thereof, or on any goods which in the opinion of the Collector of Customs have been exported with a view to their re-importation: Provided also, that on the re-importation of goods previously exported for drawback, the importer of such goods shall pay thereon the rate of duty in force at the date of export or at re-importation or at any intermediate time, whichever is highest.

12. The Governor of the Colony shall be entitled to a refund of the actual amount of duties paid on the importation of any goods purchased in the Colony for his own use.

13. Every sum of money which shall be due for drawback shall be paid by the Receiver-General on the proper debenture certified by the Collector of Customs, and the Receiver-General is hereby authorized to return any money which shall have been overpaid as duties of Customs or shall have been allowed as abatement of duty on account of damage on goods imported, on the proper document for such overpayment or abatement being certified by the Collector of Customs.

14. The importation is prohibited of extracts, essences or other concentrations of tobacco or any admixture of the same, tobacco stalk stripped from the leaf, whether manufactured or not, and tobacco-stalks flour, unless such articles are mixed with ingredients which render them in the opinion of the Collector of Customs unfit for use except for industrial or horticultural purposes.

15. The Collector of Customs may give permission to any person to bring into the Colony any goods without payment of duty thereon upon being satisfied that such goods are so brought in for temporary use only. Such permission shall be subject to the following conditions:—

(1) That such goods shall be taken out of the Colony within three months of the date of such permission;
